

Lauren A. Clay

Associate Professor and Department Chair
Emergency Health Services Department
University of Maryland, Baltimore County

Email: lclay@umbc.edu
Phone: 410-455-3223

Education

Ph.D. University of Delaware, School of Public Policy and Administration, August, 2014
MPH Drexel University, School of Public Health, August 2010
B.A. History and Leadership and Global Understanding, La Salle University, May 2005

Professional Appointments

University of Maryland Baltimore County

2021 - Associate Professor, Emergency Health Services
2021 - Department Chair, Emergency Health Services

New York University

2017 - Affiliated Assistant Professor, [Population Impact, Recovery, and Resilience Center](#), School of Global Public Health

D'Youville College

2020 – 21 Associate Professor, Health Administration and Public Health Department
2014 – 20 Assistant Professor, Health Administration and Public Health Department

University of Delaware

2015 – 19 Affiliated Assistant Professor, Disaster Research Center
2011 – 14 Limited Term Researcher, Disaster Research Center

Haverford College

2013 Visiting Instructor

Drexel University

2008 – 11 Study Site Coordinator, Department of Epidemiology and Biostatistics

Hue University

2005 – 06 Visiting Instructor, College of Foreign Languages, Hue, Vietnam; Volunteers in Asia Public Service Program, Stanford University

Awards and Honors

2021 2021 Health Promotion Policy Award for a Group Contribution to Policy Change, [Society for Nutrition Education and Behavior & Advisory Committee Public Policy](#)
2020 [Scholar of the Year](#), AAUP, D'Youville College
2019 Course Innovation Award, Institute for Teaching Innovation, D'Youville College
2018 [Early Career Research Fellowship](#), National Academies of Science Engineering and Medicine
2018 Inclusive Teaching Fellow, Institute for Teaching Innovation, D'Youville College
2007 [Fulbright Fellowship, Economic Development, Bangladesh](#), U.S. Department of State

- Papas, M., Clay, L., Gill, K., Abramson, D. "Continued food insecurity post-Hurricane Katrina is associated with worse perceived disaster recovery, physical and mental health." Oral presentation at the *143rd American Public Health Association Annual Meeting and Exposition*, Chicago, IL, 31 October – 4 November 2015.
- Clay, L., Papas, M., Abramson, D., Kendra, J. "Influence of Community Social Institutions on Perceptions of Neighborhood Disorder". Poster Presentation at the *Natural Hazards Workshop*, Broomfield, CO, 19-22 July 2015.
- Clay, L., Papas, M., Abramson, D., Kendra, J. "Influence of social institutions on disaster recovery outcomes following Hurricane Katrina". Oral presentation at the *142nd American Public Health Association Annual Meeting and Exposition*, New Orleans, LA, 15-19 November 2014.
- Clay, L., Papas, M., Kendra, J. "Social institutions: A novel approach to measuring social capital in communities". Poster presentation at the *142nd American Public Health Association Annual Meeting and Exposition*, New Orleans, LA, 15-19 November 2014.
- Clay, L., Papas, M., Kendra, J. "Social institutions: A novel approach to measuring social capital in communities." Poster presentation at the *Natural Hazards Workshop*, Broomfield, CO, 2014.
- Clay, L., Greer, A. & Kendra, J. "Then and Now: A New Look at Methods and Findings from the 1974 Xenia, Ohio (US) Tornadoes." Oral presentation at the *XVIII International Sociological Association (ISA) World Congress of Sociology*, Yokohama, Japan, 2014.
- Greer, A., Clay, L. "Successful Failure: Responding to Disaster Mental Health Needs Following Disaster." Oral Presentation at the *Graduate Student Forum*, University of Delaware, Newark, DE, 2014.
- Clay, L., Greer, A., Kendra, J. "Successful Failure: Responding to Disaster Mental Health Needs Following Disaster." Poster Presentation at the *Disaster Research Center 50th Anniversary Workshop and Celebration*, University of Delaware, Newark, DE, 2014.
- Clay, L., Greer, A., Gill, K., Kendra, J. "Disaster Mental Health Response: Lessons Learned from a Case Study of the 1974 Xenia Tornadoes." Poster presentation at the *Natural Hazards Workshop*, Broomfield, CO, 2013.

Clay, L., Goetschius, J., Kendra, J., Papas, M. "Effect of Mental Health on Disaster Preparedness." Oral presentation at *American Public Health Association Annual Meeting*, San Francisco, CA, 2012.

Clay, L., Goetschius, J., Kendra, J., Papas, M. "Poor Mental Health as an Influence on Disaster Preparedness." Poster presentation at *Natural Hazards Workshop*, Broomfield, CO, 2012.

Teaching

D'Youville College

UNDERGRADUATE

Introduction to Public Health [F20]

Special Topics in Health Analytics and Data Visualization [S20]

Research Methods [F18, F19, F20]

Global Health, Writing Intensive course, faculty-led study abroad [S16, S17, S18, S19, S20, S21]

Health Behavior Theory (online) [F15, F16, F17, F18, S19, F19, F20]

Public Health Capstone [F16, S17, SU17, S18, F18, S19, F19, S20]

Internship Seminar [S15, F15, S16, F16, S17, F17, S18, F18, S19, S21]

Advanced Internship Seminar [S15, F15, S16, F16, S17, F17, S18, F18, S19, S21]

GRADUATE

Thesis Advisement [F16, S17, SU17, S18, SU18, F18, S19, F19, S20, F20, S21]

Thesis Seminar [S15, S16, F16, F17]

University of New England Graduate Program in Public Health

GRADUATE

Environmental Health (online) [SU21]

Principles of Public Health (online) [F18]

Principles of Epidemiology (online) [F17, S18, F18]

Public Health Emergency Preparedness (online) [SU17, S18, SU18, S19, SU19, F19, S20, SU20, F20]

Haverford College

UNDERGRADUATE

Epidemiology and Global Health [S13]

Student Mentorship (*mentored accomplishments*)

Marlene Wakefield, DYC, Doctoral Advisee, Health Administration. Dissertation: Developing a culturally relevant NAAN food security scale. *Received dissertation funding from the Natural Hazards Center Quick Response Research Award Program, based on work supported by the National Science Foundation (NSF Award #1635593) (\$4,000) 2020-present*

Nadia Koyraty, Disaster Research Lab, Research Assistant, University at Buffalo, School of Public Health, Epidemiology and Environmental Health Doctoral Candidate. *Student-led manuscript in preparation for submission to the American Journal of Public Health. 2020-present*

Britta Health, DYC Disaster Research Lab, Undergraduate Research Assistant, Dietetics Program. *Poster presentation at RISE Conference 2019: Transforming University Engagement in Pre- and Post-Disaster Environments: Lessons from Puerto Rico. Co-author on manuscript (in press) from Disaster Medicine and Public Health Preparedness. 2019-2021*

Analeeza Leggett, DYC Disaster Research Lab, Undergraduate Research Assistant, Public Health major. *Poster presentation at RISE Conference 2019: Transforming University Engagement in Pre- and Post-Disaster Environments: Lessons from Puerto Rico. Accepted to Tufts Master of Public Health program for Fall 2020. Accepted to Cornell University MPH Program. 2019-2020*

Curtis Hinterberger, DYC Disaster Research Lab Graduate Research Assistant, Dietetics Program. 2019-2020

Danielle King, DYC Graduate Research Assistant on Hurricane Florence Food Environment Study. *Student Research Award at 2019 D'Youville Research Day. Accepted to PhD program in translational biomedical research at the Ohio State University. 2018-2019*

Sarah Wise, DYC Disaster Research Lab, Undergraduate Research Assistant, Health Analytics. *Poster presentation at RISE Conference 2019: Transforming University Engagement in Pre- and Post-Disaster Environments: Lessons from Puerto Rico. 2017-2019*

Tara Kruse. DYC Undergraduate Research Assistant on the Hurricane Harvey Rural Resilience Project & Hurricane Florence rapid research on the post-disaster food environment. *Participant in fieldwork, household and organizational interviews, and data analysis. 2017-2019*

Vonda Moore, DYC Health Services Administration MS Thesis student. *Motivation and Quality of Life for Patients Undergoing Wound Therapy. 2017-present*

Laurel Walters. DYC Health Services Administration MS Thesis student. *Knowledge, attitudes, and practices related to diabetes among African and Caribbean Canadians. 2017-2020*

Dusuba Sesay. DYC Health Services Administration MS Thesis student. *A retrospective study of the impact of social and cultural beliefs and practices on the Ebola Outbreak 2013-2016 in Sierra Leone. 2018-2018*

Deanna Ventura. DYC Undergraduate Mentored Research Experience Public Health Capstone. *Research presentation at D'Youville College Research Day and poster presentation at the Natural Hazards Workshop in 2017. 2016-2017*

Amanda Kelly. DYC Health Services Administration MS Thesis student. *The Association between Stroke Diagnosis on Knowledge of Stroke Signs and Symptoms. Award for Best Research in the School of Health Professions 2017. 2016-2017*

Amy Yoder. DYC Health Services Administration MS Thesis student. *Healthcare IT Security in Disaster Planning. 2015-2016*

Lauren Campise. DYC Health Services Administration MS Thesis student. *Evaluation of a Multicomponent, Theory-Informed Nurse Communication Training Program. 2015-2016*

Training and Professional Development

2021	American Association for the Advancement of Science (AAAS) Science Communication, Engaging the Media, Engaging through Social Media, Engaging Policymakers, Engaging Faith Communities (13 hours)
2020	Tableau for Healthcare Professionals, Beginner/Intermediate Level (16 hours)
2018	Faculty Institute for Diversity: Train the Trainer workshop, Cornell University (3-day intensive)
2018	American Association for the Advancement of Science (AAAS) Public Engagement Workshop
2018	Teach Students How to Learn. Facilitated workshop with Saundra Maguire, author of <i>Teach Students How to Learn</i> (2015) (2-week intensive)
2018	Team Based Learning. Facilitated workshop with Jim Sibley, author of <i>Getting Started with Team Based Learning</i> (2014) (2-week intensive)
2018	Promoting and Assessing Significant Learning. Facilitated workshop with Barkley and Major, authors of <i>Learning Assessment Techniques</i> (2016) (2-week intensive)
2018	Integrated Course Design II. Facilitated Workshop based on Fink's <i>Creating Significant Learning Experiences</i> (2013) (2-week intensive)

- 2017 Integrated Course Design I. Facilitated Workshop based on Fink's *Creating Significant Learning Experiences* (2013) (2-week intensive)
- 2014 Higher Education Teaching Certification Program, University of Delaware (1-year program)
- 2013 Summer Institute in Epidemiology, Johns Hopkins School of Public Health, Multilevel Modeling

Service to the Department, College, & University

D'Youville

- 2019 - Faculty Senate, Research Committee
- 2019 - Academic Policies Committee, School of Health Professions
- 2018 - 19 Undergraduate Curriculum Committee
- 2018 - Diversity and Inclusion Council, Founding member
- 2018 - Public Health Student Association, Faculty Advisor
- 2017 - Department Personnel Committee (Promotion and Tenure Review Committee)
- 2017 - 18 Mission Integration Advisory Council
- 2017 - 18 Search Committee for Director of Institute for Teaching Integration
- 2017 - 19 Institute for Teaching Innovation Steering Committee, Founding member
- 2016 - Academic Advisor, Public Health and Health Analytics Programs
- 2016 - 18 Canvas Steering Committee
- 2015 - Dietetics Program Advisory Board
- 2014 - 18 Academic Integrity Board
- 2014 - 18 Undergraduate Academic Policies Committee

Service to the Profession and Community

- 2021 - Co-Chair, [HER NOPREN COVID-19 Food and Nutrition Working Group](#)
- 2020 - COVID-19 Working Group Member, [National Institutes of Environment Health Science, Disaster Research Response \(DR2\)](#)
- 2020 - Survey Subgroup Lead, [NOPREN Ad Hoc COVID-19 & Food Insecurity Working Group](#)
- 2020 - Editorial Panel Member: *Journal of Flood Risk Management* (Wiley)
- 2019 - [Interdisciplinary Association of Population Health Science \(IAPHS\)](#), Awards Committee
- 2019 - [Earthquake Engineering Research Institute \(EERI\) Learning from Earthquakes Program Public Health Working Group](#)
- 2018 - 21 [Erie Niagara Area Health Education Center \(EN-AHEC\)](#), Board Member, Secretary
- 2018 - FEMA Higher Education - Theory and Research Special Interest Group
- 2014 - 19 [William Averette Anderson Fund](#), Mentoring Subcommittee
- 2012 - 14 [International Association of Emergency Managers \(IAEM\)](#) Student Chapter, Founding Vice President & University and Colleges Caucus Student Representative
- 2011 - 14 Medical Reserve Corps, Philadelphia, Advisory Committee & Corps Member

Other

Professional Memberships: American College of Epidemiology (ACE), Member; American Public Health Association (APHA); International Association of Population Health Studies (IAPHS); International Sociological Association, Research Committee on Disasters (RC-39); Association of University Programs in Health Administration (AUPHA) 2014-2021

Refereeing: Society and Natural Resources; Journal of Flood Risk Management; The Sociological Quarterly; International Journal of Environmental Research and Public Health; Natural Hazards Review; International Journal

of Mass Emergencies and Disasters, Journal of Emergency Management; Disaster Medicine and Public Health Preparedness, Journal of Primary Care and Community Health

Skills: Geographic Information Systems Proficiency Certificate; Certified Phlebotomist (American Society of Clinical Pathologists); Stata, SPSS, ArcGIS, QGIS, Tableau
